Are there other guests in the house?

No, by my own choice I prefer to leave the space to a single group, whether it is 1, 2 or 5 people.

Are there sheets and towels?

Yes, we leave the house with the beds made and 2 towels for each guest.

Is there air conditioning?

In both bedrooms there are split units for air conditioning.

Is there a private bathroom?

In the master bedroom there is an en-suite bathroom (toilet and sink); the full bathroom with shower is in a separate room.
